FORWARD

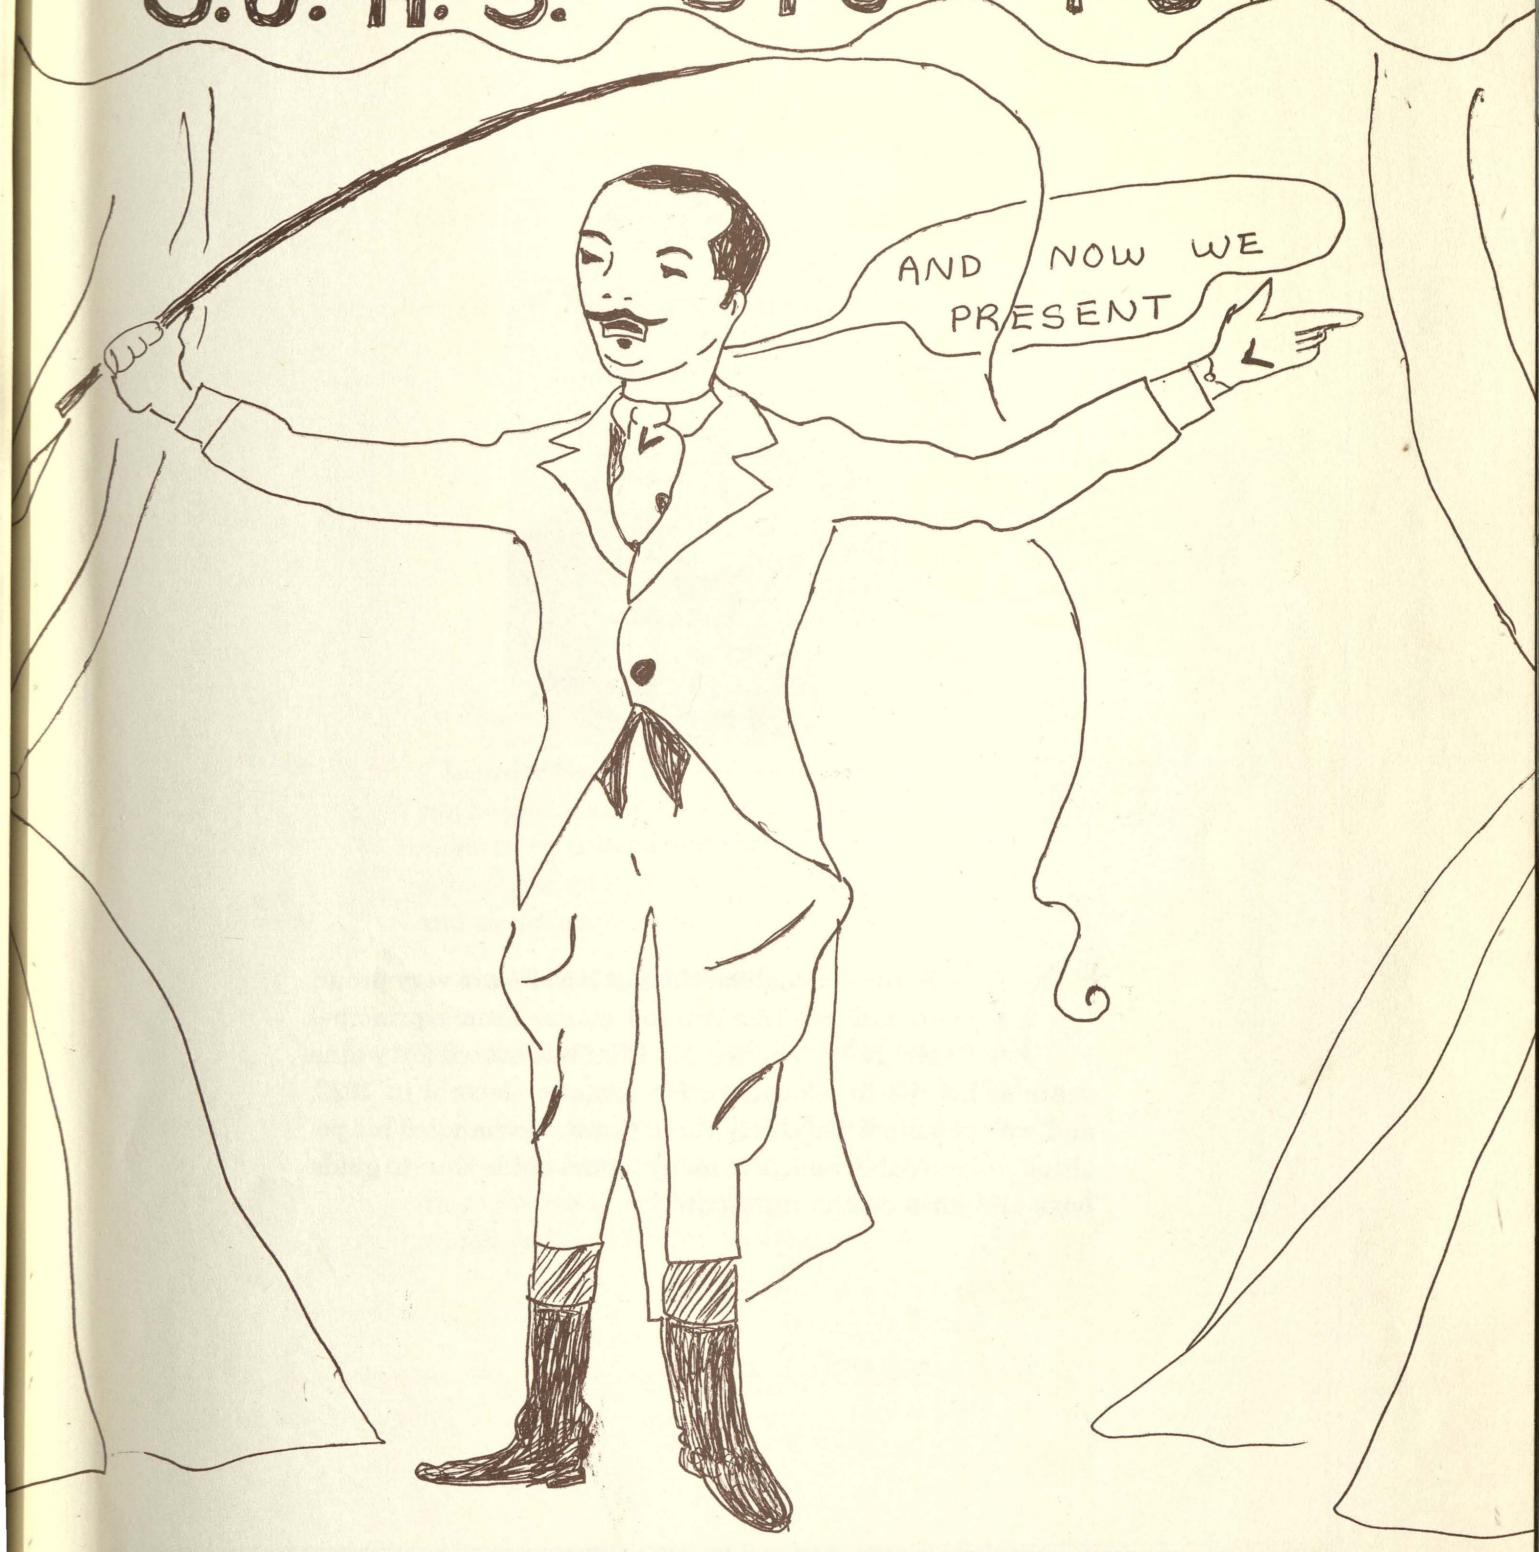
"Step right up, step right up, ladies and gentlemen, get your admission ticket for the matinee performance."

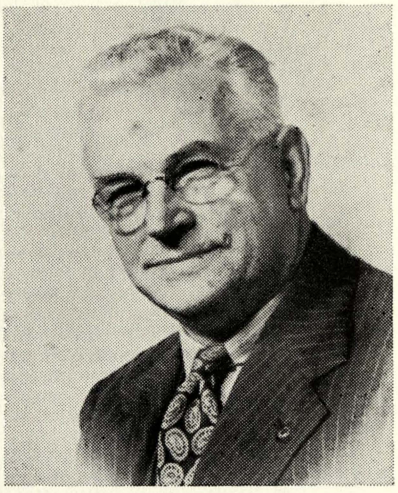
Thus the circus barker proclaims his invitation to attend the circus with all its gaudy side-shows, thrilling acte, death-defying stunts, gaily dressed clowns, sticky pink cotton candy.

For some, the circus represents thrills, excitment, joy and great expectations. For others, it was bitter disappointment in that it was not all that they had expected it to be.

We can well compare the circus with our school lives--it has it's great acts, tense moments, disappointments, and lessons that are learned only through experience. We hope that, even though some of these lessons have been "dear", we are all better prepared for high school and our lives to follow.

C.J. H.S. BIG TOP





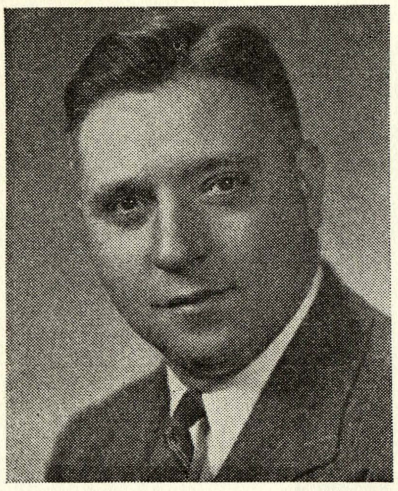
WE, the Journalism class of 1956-57, are very proud to dedicate this Annual to our former principal Mr. N. W. Chaffee. Mr. Chaffee devoted forty-nine years of his life to education. He came to Central in 1923, and was principal for thirty-three years. He handled his position very capably and gave many hours of his time to guide boys and girls on the right path.

To Pupils and Teachers:

In order for a school to be successful, it must run harmoniously. You have proved this statement to be true during the past year by your showing of good teamwork, a unity of spirit, and cooperation among classes and teachers.

We ask that this year's ninth grade students who will be leaving us to attend high school, and the seventh and eighth grade students who will be remaining with us, try to make your respective classes the best that have ever graduated from your school; but above all try to make your school the best school from which you could be graduated.

Irving W. Burtt
Principal



We hope that all of our students will have a happy and refreshing vacation.

May those pupils who will be our leaders of next year find new inspiration to demonstrate a helpful friendly spirit to the incoming seventh graders.

To those ninth graders who are leaving us, we offer our best wishes for success in your coming high school endeavor. May you look back on your years at Central with fond memories and high regards for this important step along the pathway of becoming a useful American Citizen.

Robert H. Speer

We all have a purpose in life which demands that we have integrity. During your days in Central Junior we have tried to instill in you traits of honesty, sincerity and uprightness which will help you develop these essential marks of character.

He who is personally responsible for his own actions is the one who will succeed in whatever field he finds himself. Many of us try to shift the blame for our wrong doing "he's picking on me",-"the teacher wouldn't help me", "the other kids don't like me", etc., and we fail to realize that we are the prime cause of our own action. When we can always accept the responsibility for our deeds, we have taken a great step toward that integrity which life demands of us.

We hope that you have taken long strides in that direction while you were at Central Junior, and may you take even longer ones in the days to come.

Sincerely yours,
Josephine M. Klempnow
Dean of Students

In our office we have two very capable secretaries; Miss Mary Williams, Mr. Burtt's secretary, and Mrs. Ella Frye who takes care of the attendance of Central. These are of course only part of their jobs. There are always many other things to do to keep them busy.

REFLECTOR PRINTERS

Did you know that in order to publish this book it takes approximately 120,000 impressions on the press? Besides this time consuming activity, all of the articles for the monthly and annual Reflector are hand set (type), read,corrected, read, put together into pages, proofed, re-read, corrected and then printed. After all of the pages are printed they must be put together into the monthly or annual Reflector. These activities, along with the other jobs called for during the school year, such as P.T.A. programs, play programs, tickets etc, are the job of the Reflector Printers.

They: are Roy Flores, James Freeland, Janis Jansons, Robert McCall, Brian McInerney, Jake McNair, Billy Miller, Tom Pagonis, Raymond Yarger, Frank Reinbolt, Gary Mayer, Dave McCray, William Estill, James Foster, John Fox, Oscar Jones, Norris Joseph, John Martin, Larry May, John McAfee, Floyd Mielke, Richard Pierce, Charles Pogroszewski, Joe Sanchez, Nathaniel Walker and Jesse Ortega.

We also want to thank those eighth graders and the boys who work after school for all the help they have been.

We are sincerely grateful to the printers who have done such a wonderful job under the fine direction of Mr. Dunne. His printers have made it possible for us to read and enjoy the annual and monthly Reflectors.

OFFICE HELP

The office helpers are selected from the ninth grade. They help in the office by running errands, answering the telephone, and doing simple filing and odd jobs.

The students who work in the office take time from one of their elective classes. They get helpful practice for future office work.

The office helpers are; Ilze Vilsons, John Luebkert, Mara Auzins, Jacquelyn Hartman, Carol Young, Ilze Prikulis, Julie Vaughan, Betty Yates, Carol Fries, Gladys Laurette, Marilyn Pearce, Janet Schultz and Ruby Jones.

STUDENT COUNCIL

By Shirley Sparks

The Student Council is made up of the homeroom presidents. The meetings are held in the library to discuss and try to solve Central's problems. This year the council chose the assembly programs for next year.

Student Council officers are as follows: president, Julie Vaughan; vice president, Tim Schroeder; and secretary, Cynthia Parette.

MAINTAINENCE FORCE

One of the most important jobs of our school, that is rarely thought of, is the maintainence force. It consists of janitors, a janitress, engineers, firemen, and laundrywoman.

The head of the Janitors is Raymond Rose. Our janitors are; Joseph Karas, Ulyss Wesley, Adolph Seberts, Earl Tucker, Hecter Halkins and Ed Smith. The janitress is Florence Thomas.

The engineer is Carl Philips, the firemen are William Pruitt and Jack Talley and the laundrywoman is Lucy Reetz.

BON VOYAGE BLUES

The time has come and we are blue;
To leave our school and all of you.
For as we leave we leave behind;
Pranks and fights among good times.
All the days we've come and gone,
Have gone so quick, they don't seem long.
The offices, grades and friends we've made,
They are all memories that will never fade.
And as the close comes so near,
We shake in our boots and tremble with fear.
Get set, Mr. Tibbets, we'll be there next year.

SIDESHOWS

During the school years of 1956 and 1957, Central Jr. High has had four exceptionally fine assemblies in our auditorium.

On September 25, 1956, Charles E. King, baritone, entertained us. This Negro singer has been at Central several times for programs, and was well liked by all the students. (He is a fine singer.)

Our second assembly, by William M. Parson, was very good. Mr. Parson showed a color film, A Journey Into the Forest. This film was on the wildlife of Maine. (Surly was colorful.)

The third assembly of the year was Duke Montogue and Mynella, the Memory Lady, in a memory demonstration and magic comedy act. All during the performance the students had their eyes peeled on both of them. (The hand is faster than the eye)

Our last commercial assembly was on May 16, 1957. We were very pleased to have the Augsburgs, and their Jungle Wonders, an animal show with twenty performers including a baboon, Irish setter, birds and many others. (Some sight to see)

These assemblies cost about fifty dollars apiece and are paid from the school fund. The President's Council selected the assemblies that were given.

Mr. Chaffee's Portrait

Have you noticed the portrait of Mr. Chaffee, as you come into the entrance of Central in front of the auditorium? This picture was donated by Werkema Studio's and presented to the school at the November P. T. A. meeting.

Mr. Leslie J. Turner, former Central Jr. assistant principal who is now superintendent of Caro Schools, gave the address of dedication for the picture. The picture was uncovered by Mr. Chaffee's daughters, Mrs. Joseph Overstreet, a C. J. H.S. teacher and Mrs. William Small.

Mr. Burtt, principal of Central Jr., gave a speech of acceptance and Julie Vaughan, President of the Student Council of Central, also spoke a few words at the presentation.

Mr. Chaffee retired in June of 1956 after 34 years as principal of Central Junior High school. Everyone was sorry that he had to leave.

P. T. A.

Central Junior High School has a very fine P.T.A. of which we can be very proud. The officers are:

President--Mrs. Carl Beck
Father Vice President--Mr. B. Thompson
Teacher Vice President--Mr. Paul Plambeck
Treasurer--Mr. Gene Beuthin
Recording Secretary--Mrs. Helen Garlick
Corresponding Secretary--Mrs. Ann Smith
Historian--Mrs. Margaret Sievert

In November, our parents were able to meet our teachers at Open House. We hope that no one had gone home and told a "wrong story". Remember "truth will out".

In December we had a very fine Christmas program, given by the music departments, under the direction of Mr. Speidel and Mr. Brom.

At the January meeting, the sewing classes put on a very nice style show,modeling the clothes they made during the school year. The orchestra also took part in this program. There was no regular meeting during February because of the annual Highlights put on by the P. T. A. What a fine show!!!

The month of March was a big month for our future 10th graders. Mr. Tibbets, the principal of Saginaw High, talked to the parents of those students who will attend.

Our last meeting was in May. We invited the parents who will have boys and girls attending Central for the first time in the fall of 1957.

The P.T.A. helped the pupils of Central a great deal in 1956-1957. We wish them to know that we are all very appreciative for what they have done.

I WENT TO THE CIRCUS

(by Ruth Nicholai)

I went to the circus to see the sights, For I am a circus fan.

And the most exciting thrill, and tingling chill, was Joe Powe, the candy man.

The lion act was very good. It surely was Jim Dandy. But during it, I had an urge and had to by some candy.

The Trapeze artist was wonderful
When she flew in the air so high.
But when she somersaulted over,
The popcorn man, John Luebkert passed by.
The circus was good this year,
But let us face the facts,
That all the goodies that I ate
Weren't better than the acts.

You've reached middle age when you've learned how to take care of yourself and intend to begin almost any day now.

A white collar worker is one who carries his lunch in a brief case instead of a pail.

Hospitality is the art of making people feel at home when you darn well wish they were.

A CAPPELLA CHOIR

(By Merrilee Reid)

We are very proud of our A cappella choir which is made up of eighth graders, and we think it is one of the best in the city. A cappella means unaccompanied: the choir sings without an accompanist. Mr. Speidel is the director of our vocal music department.

The members are: Mary Abbot, Virginia Agnew, Violet Alcorn, Rose Barnes, Peggy Beatty, Elisa Bernal, Margaret Bell, Adella Boyd, Barbara Brown, Patricia Campbell, Vivian Casey, Alma Clay, Annie Coleman, Barbara Coleman, Rozella Copper, Judith Cotie, Hope Crag, Jeanette Crawford, Christine Doxie, Beverly Duby, Virginia Escalera, James Lloyd, John Freeman, Sarahree Gaines.

Central's Circus

Our circus is a jolly place,
That's very plain to see.
All our performers are full of grace,
As they perform for you and me.

Ron Roeser is our popcorn man
with several boys to help him.
He's always frying popcorn in his pan
and is always wearing a grin.

Our candy man is jolly Bob
Whose last name is McCormick.
Selling candy is his job
And really isn't much of a trick.

Our trapeze artist is Sandy Brown,
She tries very hard to please.
She's always flying up and down
With the very greatest of ease.

Backbone can help you to success if the knob at the top isn't made of the same materal.

Circus Highlights

(by Linda Cummins)

Everyone was excited about this years annual Highlights in Central's auditorium on February 21 and 22. Jack Keane was Master of Ceremonies.

The ninth grade girls presented their unusually fine chorus line in a "Military Tap" dance, to begin an evening of fine entertainment.

Some of the other acts were: "True love" sung by Dorothy Jones; tap routine, "Honeysuckle Rose", featuring Frankie Haney, Helen Hardy, Joyce Roberts, and Thelma McArm; a "Rock n' Roll" by Carol Young and Ralph Fuller; "Cool Water" sung by Birney Sullivan, Money Miller, Leroy Daniels, John McAfee and Ollie Barry; "Hill Billy Songs" with Donna Mae Clark; and "Istanbul" (Tap Routine) by Paul Bosley.

The eighth grade girls did a "Hawaian Dance; Patty Novack did her version of "Welvis Gressley"; Louise McDaniel sang" Somebody Bigger Than you and I"; a "Boogy Tap" by Janice Granville; the eighth and ninth grade girls produced "Stranded in the Jungle" with Betty Dunlop, a seventh grader, doing the narrating. Bonnie Garlick and Wendy Korniski did a baton routine to "Stars and Stripes Forever."

The ninth grade boys had their own act, "The Pathetic Prancers of Paraguay."

There were quite a few people who helped to get the Highlights under way, Miss Dorothy Lundbom and Mrs. Claudine Wickes, who helped with the dance routines, and Mr. Art Galonska and Mr. Ray Dupree at the piano.

The art supervisor was Mr. Foulds. Ralph Fuller, Ken Powell, Ann Jordan and Janice Kleinert were members of the art crew. The stage crew consisted of Mitchell Shields, Brian McInerney, Gary Mayer and Gary Moldenhauer. The program and tickets were printed by Mr. Dunne and the boys of the printing department.

TIGER AT LARGE ON STREETS OF SAGINAW

Fortune Teller's Fame Is World-Wide

The fame of our Big Top fortune teller, Mlle. Faye Harrison, has grown to be world-wide. Visitors from many foreign lands have paid hundreds of dollars to hear her advice as she gazes into her mysterious crystal ball.

Our fortune teller is frequently visited by King Bob McCormick and Queen Julie Vaughan of Bechansland. They often seek her advice on their government problems.

Sandra Troge, the editor of the New York Daily Tribune and the Brooklyn Free Press, communicates daily with Mademoiselle Harrison. Mlle. Harrison, who can foresee the future, is often able to give Editor Troge some "news scoops."

Jet pilots Charles Cormier and Galen Redinbo consult our fortune teller about the future weather before they start out on their flight missions.

Professor Birney Sullivan of B. Beck College often visits Mademoiselle Harrison to consult with her on his enormous mathematical problems.

Mlle. Harrison is visited weekly by millionaires Al Pollard and Dick Garlick who often ask for her advice on their stock investments.

The Mademoiselle may be seen only by special appointment. These appointments are arranged by her secretary, Bob Federspiel. Because of Mlle. Harrison's busy schedule, the appointments need to be made at least three months previous to the visit.

ACCIDENT in the BIG TOP

Last Friday night in front of 20,000 spectators, our pretty trapeze artist, Miss Janice Kleinert, fell from her trapeze when she tried to stand on her head without the use of her hands, one hundred feet in the air.

Thinking quickly the seven ushers: Valdis Vitols, Dick Wick, Arthur Clement, Gary Tarrant, Tom Judd, Mike Tobin, and Dave Kerr, grabbed a net and held it out to catch her.

Her head band fell off and her blue net costume was rumpled, but her pale face managed to give a smile to her alarmed spectators as the roustabouts, Ronald Roeser and Richard Pincombe, carried her to her dressing room.

As we go to press, we find that outside of the shock she received, she had only a sprained ankle.

Tiger Escapes From Circus

We have received notice from our animal trainer, Lloyd Allen, that a dangerous tiger has escaped from the Big Top. This Tiger is very ferocious, so we advise all citizens of this town to bar all their windows and to lock all doors As an extra precaution, we ask you to keep a sharp lookout at all times.

The hunt for this fierce tiger is being headed by our own Chief of Police, Juris Erhards. Roland Modlin, the owner of the circus, has even offered a two thousand dollar reward for the tiger, "dead or alive." For this reason, even some successful businessmen such as Jim Shripka and Jim Hernick are particating in the search for the missing tiger.

FLASH! As we go to press, we have just received a news bulletin over our short-wave radio. The tiger has just been captured by the world famous explorer, Roy Kleinbreil who is currently hunting for ancient ruins in the Nevada Desert. Congratulations on that reward, Roy.

TRAINER INJURED

Bill Frieder, roaming reporter, announced today that Jim Kerridge, the famous lion trainer, has been injured.

He was rushed to the hospital with a split infinitive.

Doctor Henry Castillo said, Jim will be back with the circus within two weeks.

Celebrities Visit Circus

In the past month, many famous people have paid visits to the Big Top.

On May 7, 1970, we were visited by a troop from Hollywood who are touring the country to make guest appearances with their new picture, "Around the Universe in 80 Days." It was produced by Hollywood's million aire, Dick Wallace. The director, Jeffrey Fryer, also accompauied the stars of the show, who are: Carol Young; George Martinez.

Louise McDaniels, who had just finished making four guest appearances in New York, stopped off at the Big Top on May 12, on her way back to Hollywood. Louise has made her mark as one of the nation's best singers. Her current release, "Blackberry Hill", is now being heard each week on the Hit Parade.

Another singer, Jim Collier, also visited our Circus this past month. He is rocking the country with his new record "Hound Pup."

One of our other visitors gave our trapeze artists some new hints. She was Janice Granville who now has her own dance studio in New York.

On May 27, 1970, we had a special guest appearance for our evening performance. A jazz band, under the direction of William Collier, played several selections before the start of the Circus.

AN EDITORS DILEMMA

Getting out a magazine is fun, but it's no picnic. If we print jokes people say we are silly, If we don't they say we are too lazy to write them ourselves.

If we don't, we are too fond of our own stuff. If we don't print contributions, we don't appreciate true genius.

If we do print them the page is filled with junk.

Now, very likely, someone will say we swiped this from some other magazine-- we did.

Trainers Needed

A great need for trainers to train the animals has been expressed by the circus owners. Two of the best lion tamers in the business, Dale Findlay and Tom Miller have been called to California to tame three of the worst leopards in captivity. They were caught by the famous explorers Brian McInerney and Janet Schultz.

After the ferocious leopards are trained, they will be brought to the Central Big Top.

The trainers are needed to train and perform with the leopards, tigers, and lions for the biggest and most stupendous show to ever take place in the Central Big Top.

Taking part in the biggest show on earth, will be Lois Veitengruber, Pat Zwingman, Pat Kelly, Ralph Fuller, Larry Weisbarth, Leo Borrello, and Cathy Williams who have taken part in shows all over the world.

CENTRAL CLARION

A remarkable improvement has been noticed in our circus grounds since the new clean-up crew was hired a month ago. A special banquet was held May 30, 1970 to pay tribute to these men.

Our new crew includes Howard Schaeding and James Johnson. These two distinguished men have invented an enormous vacum cleaner which they use for keeping our grounds "spic and span."

The city's mayor, Gatis Lusis, presented a special plaque to these men for their invention, which other businesses are also now using.

We are very proud of these two workers and we hope that our other employees will also begin to show such ingenuity.
